3. Design must not include any language or wording as text will be added by the Foundation once a winning design is determined.

Submission Guidelines

1. Designs must be original and submitted by, or on behalf of, the designer and with the designer's direct consent. **Parents or legal guardians must submit on behalf of minors.**

2. By entering the contest, the submitter certifies that the design is original and submission of the design and use of the design by the Foundation does not infringe on trademark, copyright, or any other intellectual property or other laws.
3. Designers must agree to the full Official Contest Rules (below) which includes assigning the copyright to unrestricted public domain.
