Benefiting 56 local nonprofits in 2020

whitefishcommunityfoundation.org
It’s easy and fun to GIVE through the Great Fish Community Challenge. Plus, a percentage match allows your gift to make an even greater impact on your community!

WHAT IS THE GREAT FISH COMMUNITY CHALLENGE?
The Great Fish Community Challenge is a charitable giving campaign designed to maximize your donations to local nonprofits by adding a percentage match to your gift. In just five years, the Challenge has raised over $9 million for Flathead Valley nonprofits.

HOW DOES THE CHALLENGE WORK?
You choose the nonprofits that you would like to support with a contribution to any of the 56 participating charities. Make your gift using our official donation form and submit it with your check made out to the Whitefish Community Foundation, or make your donation online at whitefishcommunityfoundation.org. The Whitefish Community Foundation processes your gift, sends you a tax receipt, and passes along 100% of your contribution to the organizations you choose.

WHY GIVE THROUGH THE GREAT FISH COMMUNITY CHALLENGE?
By giving through the Great Fish Community Challenge, you not only help fund the important work of our nonprofit community, you are also helping to inspire others to take action and give! This year marks some unique challenges for all our nonprofits. Now more than ever we need to join together to support important and critical causes. Nonprofits are the center of our community. They enrich our lives through art, provide access to recreation, and conserve our critical habitat. Nonprofits are feeding and sheltering those less fortunate, educating our youth, and advocating for children. Nonprofits make our communities a better place to live, work, and play.

HOW DOES THE MATCH WORK?
The Match Fund will begin at $200,000 funded by the Whitefish Community Foundation’s Circle of Giving. The Match will continue to grow as more people join the Circle and as donors like you make a gift straight to the Great Fish Match Fund. When you give to the Match, you are giving to all 56 participating nonprofits.

At the end of the Challenge, the percentage match will be applied to the first $20,000 raised by each nonprofit.
