

The Kids Fund - Accepting applications until November 17, 2022 One-time and multi-year grants supporting programs serving homeless youth, or youth at risk of becoming homeless

The Kids Fund accepts applications to support nonprofit projects and programs primarily serving disadvantaged and/or homeless Flathead Valley youth with immediate needs in the areas of health, safety, food access, and education.

Qualifying organizations may apply for one of the following:

1. one-time request of up to \$50,000, OR
2. multi-year request of up to \$50,000 per year for up to three consecutive years, depending on the scale and needs of the program

Kids Fund applying organizations currently serve homeless youth, or youth at-risk of becoming homeless in Flathead County.

Eligibility:

- Applying organizations must be based in Flathead County, and offer well-established programs serving homeless youth, or youth at-risk of becoming homeless.
- The organization must be tax exempt under the provisions of Section 501(c)(3) of the Internal Revenue Code or a publicly-owned tax exempt organization. Tax exempt status must exist at the time of application.

Application Requirements and Information:

- A copy of the organization's official I.R.S. Determination Letter will be uploaded into the application.
- An organizational Budget vs Actual Profit & Loss Statement for the most recently completed fiscal year, and a 2-Year Comparative Balance Sheet will be uploaded into the application, as well as a detailed project/program budget illustrating how grant funds will be allocated.
- Applying organizations will submit an LOI by clicking "Apply" at the above right. If the LOI is approved by the Kids Fund Committee, the organization will be invited to submit an application. The application will require the organization to upload board of director's meeting minutes demonstrating the project/program has been discussed, and the application to the Kids Fund has been approved.
- The Kids Fund supports programs within a single nonprofit organization, and/or collaborative programs involving multiple nonprofit organizations.
