MULTIPLY! SIMPLIFY!

WHAT IS THE GREAT FISH COMMUNITY CHALLENGE?
The Great Fish Community Challenge is a 6-week charitable giving event designed to maximize the generosity of our community. Donate to up to 70 local nonprofits with one transaction, and your giving will be multiplied by a percentage match.

WHY GIVE THROUGH THE GREAT FISH COMMUNITY CHALLENGE?

MULTIPLY! At the end of the Challenge, a percentage match will be applied to the first $20,000 raised by each nonprofit that raises at least $10,000 in the Challenge. This means your giving goes FURTHER.

SIMPLIFY! One transaction, limitless impact. Explore 70 charities in the Flathead Valley that need your support and give to many diverse needs with ONE payment.

HOW DOES THE MATCH WORK?
The Match Fund begins at $300,000 funded by Whitefish Community Foundation’s Circle of Giving. Throughout the campaign the Match will continue to grow as donors make gifts straight to the Great Fish Match Fund. When you give to the Match, you are giving to all 70 participating nonprofits.
