2023 Community Emergency Response Fund
Accepting applications until 5 p.m. on December 31, 2023

Whitefish Community Foundation has developed a Community Emergency Response Fund to provide flexible resources for nonprofits facing an unexpected emergency.

These grants may be deployed rapidly to support nonprofits during a recognized emergency or disaster in the Flathead Valley, or they may be utilized to fund projects or repairs that must be addressed immediately in order to keep a local nonprofit operating.

What kinds of projects are appropriate for an emergency grant request?

1. Unforeseen situations that must be addressed immediately or the nonprofit will be unable to continue programs and fulfill its mission.
2. Support for nonprofit programs mobilized to address an emergency in one or more Flathead Valley communities.

What kinds of projects or programs are NOT appropriate for an emergency grant request?

1. Recurring expenses
2. Travel expenses
3. General operating expenses
4. A project already completed
5. Routine maintenance
